Community Transport

If you are an older person or have a disability you may also be entitled to make use of local community transport in your area.

FlexiLink is a demand responsive transport service providing an alternative means of travel for Cheshire East residents with a disability, are aged 80 or over, or who live beyond the reach of any other public transport.

- The fare is £3 per journey if you do not have a bus pass.
- All journeys must be pre-booked so that routes can be planned efficiently.

Hours of FlexiLink service

- The core hours of the new service will be between 9.30am to 2.30pm on weekdays.
- They offer a limited service for group bookings between 8.30 and 9.30am and 2.30 and 4.30pm.

How to book on FlexiLink

Call 0300 123 5110 to book a journey (local call charges apply, calls from mobiles may cost more). The booking line is open 09:30am - 12:30pm Monday to Friday.

Customers registered to use FlexiLink may request a booking by calling between 24 hours ahead and one month in advance of when you wish to travel. The more notice customers are able to provide, the more efficiently they will be able to plan each journey and route.

Transport Service Solutions (TSS) will try to accommodate your request but it may not be possible to do so. If vehicles are fully booked at the time you have requested they will discuss an alternative booking time with you.

Information Sheet

How to register as a member

To start using the service, call FlexiLink on the booking line number 0300 123 5110 (9:30am - 12:30pm Monday to Friday) to register your details. If you used the Little Bus service in the last 12 months they will transfer your membership details so you will not need to re-register to use FlexiLink.

Change or cancel a booking

To change or cancel a booking on FlexiLink, call 0300 123 5110 (9:30am - 12:30pm Monday to Friday). Tell them as early as possible if you need to cancel a booking as they can offer the seat to another customer instead. Failure to cancel an unwanted booking results in a wasted journey and could mean that another customer doesn't get the opportunity to travel on the service.
