

Information Sheet

4. RADAR Keys

The RADAR KEY allows independent access for people with disabilities to around 9,000 fully accessible toilets in the UK.

Who is eligible?

Anyone with a disability or their carer can obtain a key by providing proof of eligibility (e.g. European Blue Parking Badge, Disability Living Allowance or Personal Independence Payment with mobility component, Attendance Allowance).

There are two different sizes of key and they both cost £3.50

They both open the toilet but the difference is one has a larger turning handle for people who have dexterity problems.

Where can I get a RADAR Key?

Disability Information Bureau at Pierce Street, Macclesfield, SK11 6ER
01625 501759

We are happy to post a key if you send a cheque for £5.50 and a return address. Please also state which size key you would prefer.
