7. How to make a Welfare Rights appointment at the DIB

DIB can be contacted on **01625 501759** to make an appointment for the Macclesfield office, Congleton or Alsager outreach locations.

You can also go into the office in person or email us on info@dibservices.org.uk

If your query is about benefits, one of the benefits staff or volunteers will contact you within 7-10 days to arrange an appointment. We will make the appointment as soon as possible but it does help us if you can notify us of any deadlines that you have for returning forms or disputing a decision.

If you want help to complete a form, we normally expect you to have requested and obtained the form.

You can do this by calling the relevant DWP unit/department.

The following numbers are free to call;

- Attendance Allowance Helpline.....0800 731 0122
- Disability Living Allowance.....0800 121 4600
- Carers Allowance.....0800 731 0297
- Employment Support Allowance.....0800 055 6688
- Personal Independence Payment Helpline.....0800 917 2222

If you are struggling to get a form for Personal Independence Payment (PIP) we can help you with this but we can only do this if you are present and have brought the necessary information; we will provide a list of what will be required beforehand.
